Hi Roslin, it's nice to meet you here on Facebook. I tried to SMS you, I hope you received it.

I'm divorced Roslin with 7-year old daughter. It was approved in court on March 2012. My ex-wife was a Muslim but I had her converted into a Christian before we got married but after 4 years of marriage she went back to Islam to pay tribute to her Allah. She separated herself from me for a year but then after that she told me she's expecting a baby 4 months after she went for a holiday in Indonesia.

So that's it, there's nothing more I can do. And we got divorced.

You are pretty Roslin, do you qualify me as your lover? I am only a warehouse staff. I only have limited income, I could not sponsor you to come to Australia.

But of course, I will treat you with the nicest behaviour and love should you come here.

This is my address; 8/16 Drummond St., Warwick Farm NSW 2170 Australia

Raul Morales

I like you Roslin, you're honest and sincere. You have found me Roslin, I am as you are - doesn't want to be alone. I don't feel good about it anymore.

I'm in good health, I have to be since I don't have a woman to take care of me.

I play keyboard with a band. We have a gig this coming August 16. That's what I do beside warehousing.

You are the best woman I met here. To be honest with you, I have met many scammers. They make money here, so dangerous.

Is your daughter going to school? What's her grade or level?

Honey, do you think you have time to come to Australia?

7/14, 7:06pm

Raul Morales

Darling, I'm ready for you. I can marry you and of course you can trust me and if we are together, of course, you'll be my only woman.

So, what more do you need to know about me, darling? All I know is that you'll be happy with me and I'll be happy with you.

Roslin, you're all I want. You shall have all my respect, care, love, honesty, trust and contribution for our future. With the way you talk, I'm beginning to fall in love with you.

Can we have a go, baby? You're my girlfriend now, okay? Just for a start and we'll build our dreams together..

I love you, Roslin.

Honey, what you did with the money is so dangerous. It could have been better if it was a check. Of course, the parcel company would steal the money. I hope everything is in tact. You can trust me, darling but as for people around us, we chose which to trust. If the money is lost then you can't even claim it because you did not declare it! I'm worried about it darling. I hope I will have it soon. I love you, honey. Good to hear your voice on the phone. I will marry you and I will buy a house for you and me in the Philippines. I just hope the parcel was not stolen. I love you, honey. Muah!

I am already eating sardines because of that parcel of yours. I don't want

We have agreed that I would pay the balance of \$1,500 upon delivery. I would pay it here in Australia. I was expecting Siti Napsahaya Binti Sazili to arrive here last Monday but until now she's not here.

If she doesn't come this week, please get yourself the package. I want to get back my money - \$3,500.

I mean I would take back my money which was already totalling \$4,500.

I really think there is no package - it is just receipt which could be fabricated by computer software.

Can you tell me the truth? You must be lying. Where did you get the money?

9/16, 4:55pm

[Raul Morales](#)

Honey, I'm sorry I can afford only \$700 on Thursday. Can you still afford to stay one more week? The people there would not release your documents unless we pay them completely with \$1,000. And I don't know how much is next after we pay it. They want your parcel honey. I would be losing more money but still at the end we will not be able to get the parcel. If you don't mind ask for a bill the pricing with signatures on it because I really don't trust them anymore. Ask a signed agreement that if we pay this much, we will not pay extras. Let it be signed with company and phone number on it as well as names so we can sue them if they cheat. It's hard to gamble my money, I would certainly starve. They are liars! I want to talk to you, please call me before Thursday.

May you, Veronica and your children be dead! The money was my Tithe and Offering to God. You did not steal from me, you stole from God. May you all die!
